What will it cost me?

According to Gardiner's 2026 assessment roll, the average taxable assessed value is approximately $542,000 per parcel. At the proposed rate, that amounts to approximately $10.79 per year — about 90 cents per month.

About the cost of a new hardcover book each year to support a library that serves our whole community.

Catch you on the flip side, Gardiner...

...the flip side of the ballot!
