What happens if the vote passes?

The funding will help Gardiner Library continue providing quality services, programs, and materials for our community.
This includes:

- Books and materials for readers of all ages
- Programs and events that bring our community together
- Digital resources and technology that expand access to information
- Library of Things and museum passes that connect residents with resources and experiences beyond books
- Local history and special collections that preserve and celebrate our community
- Welcoming spaces for people to learn, connect, and participate

This funding helps Gardiner Library continue to grow, adapt, and meet the changing needs of our community.
