What is the 414 Funding Proposition

The Chapter 414 Proposition is a way for residents to vote on funding for their local library through their property taxes.

On November 3, 2026, Gardiner voters will have the opportunity to vote on a proposition to increase the annual funding provided to Gardiner Library by $32,374.

If approved, this funding would help the library maintain and develop its services, programs, collections, and resources to meet the needs of our community.

Your vote determines whether this additional funding becomes part of the library's annual budget.
